Notes

1. There are two princes in Dan 9:24-27 (underlined).
 - a. In vss. 26-27 there is an alternation between the good Prince who saves (A, A') and the bad prince who destroys (B, B').
2. Time periods are mentioned six times (highlighted).
 - a. Verse 24 refers to the entire period of 70 weeks.
 - b. In vs. 25 the first 69 weeks are broken out into two parts (seven, sixty-two).
 - c. Verses 26 and 27 deal only with the 70th week and beyond. The temple was not destroyed during Daniel's 70th week, but afterward.
 - d. Whenever a time period is mentioned, it is talking about the good Prince.
